Sir:

In reply to the July 12, 2004 Restriction and Election of Species Requirement,
Applicants provisionally elect Group I, claims 2, 6, 8 and 12-19 and Species I, Figs. 1 and 5,
with traverse.

It is also respectfully submitted that the subject matter of all claims 2, 6, 8 and 12-34
is sufficiently related that a thorough search for the subject matter of any one Group of claims
would encompass a search for the subject matter of the remaining claims. Thus, it is
respectfully submitted that the search and examination of the entire application could be made
without serious burden. See MPEP §803 in which it is stated that "if the search and
examination of an entire application can be made without serious burden, the examiner must
examine it on the merits, even though it includes claims to independent or distinct inventions"
(emphasis added). It is respectfully submitted that this policy should apply in the present

application in order to avoid unnecessary delay and expense to Applicants and duplicative examination by the Patent Office.

Thus, withdrawal of the Restriction and Election of Species Requirement is respectfully requested.

Respectfully submitted,

James A. Oliff
